Prayer focus and news from HAMPSHIRE

FIRSTSERVE:

FirstServe is a unique discipleship and missions programme, primarily for 18-25 year-olds on a gap year, or those with a shorter time available.

All 5 FirstServers who started last September have now completed the programme!

Please pray for the new FirstServers who are planning to start their adventure in September & January. **Web:** www.first-serve.org.uk

We had a great week at the **LIFE EXPO** at Lockerley Water Farm Campsite. Lockerley. Nr. Romsey. Hants. Due to their size and location village schools often miss out on projects like the **LIFE EXPO**, but not this time!

Over 400 children from the surrounding villages were transported in to see this multi-media exhibition. The week was organised and financed by The Hampshire Christian Trust and it was run as an inter-Church project, with Christians from Churches in the local area helping out as guides and staffing the event.

As expected the children and teachers who attended the Expo were thrilled with their visit.

As well as the 70min interactive lesson on Jesus, all the school children were given a 'LIFE' edition of John's gospel.

FAMILY NEWS:

Thank you for your prayers , cards and comments regarding Kathy's' baptism, we all had a fantastic day!

If you missed it then you can see a short video of it in the news section of the website.

Kathy has had many opportunities to share her faith and how it moulds her life, both in class and amongst her friends but it is not always easy! Please continue to pray as she develops her personal time with God more over the summer and particularly on Camp.

Arlo is looking forward to camp too, and he is also very excited about starting Secondary School in September. He will miss Locks Heath Juniors but is moving on with many of his friends into this new adventure! He knows that the experience will test his faith and commitment to Christ. Please pray for us all as we seek to support each other in the challenges of these coming few months, thank you.
